Dedication

Jacksonville High School rose in the heart of Jacksonville, Texas, in the year 1925. It is significant of the past in being the realization of a dream of its predecessors, significant of the future in reminding that the ideals taught there would not be forgotten.

It truly has been a living monument. The long halls seem to come to life as they echo the voices of our mothers and fathers as they hurried along to that dreaded English exam or, perhaps, a history final. The excitement of Friday's pep-rally lingers on, just as does the proudness felt by all when our team won. The bright red lockers, and the event-filled auditorium hold many memories dear to us all.

But now, as time so endlessly passes, we shall leave old J. H. S., a little sad but looking forward to the visions of the future.

The class of 1958-59 will return to their classes with perhaps more eagerness than usual. For greeting them will be a new million dollar building which will take some pain out of leaving a summer of relaxation, swimming, and vacationing.

J. H. S., if it is to stay alive and continue to be a living monument, must have a frontier. It cannot stand still; it must either go forward or backward. For it to go forward there must be those willing to venture ahead. Now there is only work and waiting for tomorrow.

And so this class of old J. H. S. leaves to you, the class of 1958-59, the will to sustain the spirit of the old J. H. S., and the constant challenge to chart the course of the ships of the future.

We, the Indian Staff, wish to dedicate this last annual edited in old J. H. S. to the graduating class of 1958.

Staff Acknowledgements

Without complete cooperation of many people outside the working staff of this annual, it could not have been published.

Tom Holly, the smiling salesman from Taylor Publishing Company, has continually lent a helping hand and answered those numerous and unending questions.

To Mark Foster, our special photographer from Marshall, Texas, we extend heartfelt thanks. Many hurried and confused moments were spent in taking pictures for our annual with Mr. Foster.

And to David McLendon, who will, to our regret, not be with us this year, we give our sincere thanks and appreciation for his time and efforts while working on the summer supplement, and the first sixteen pages of this year's annual.

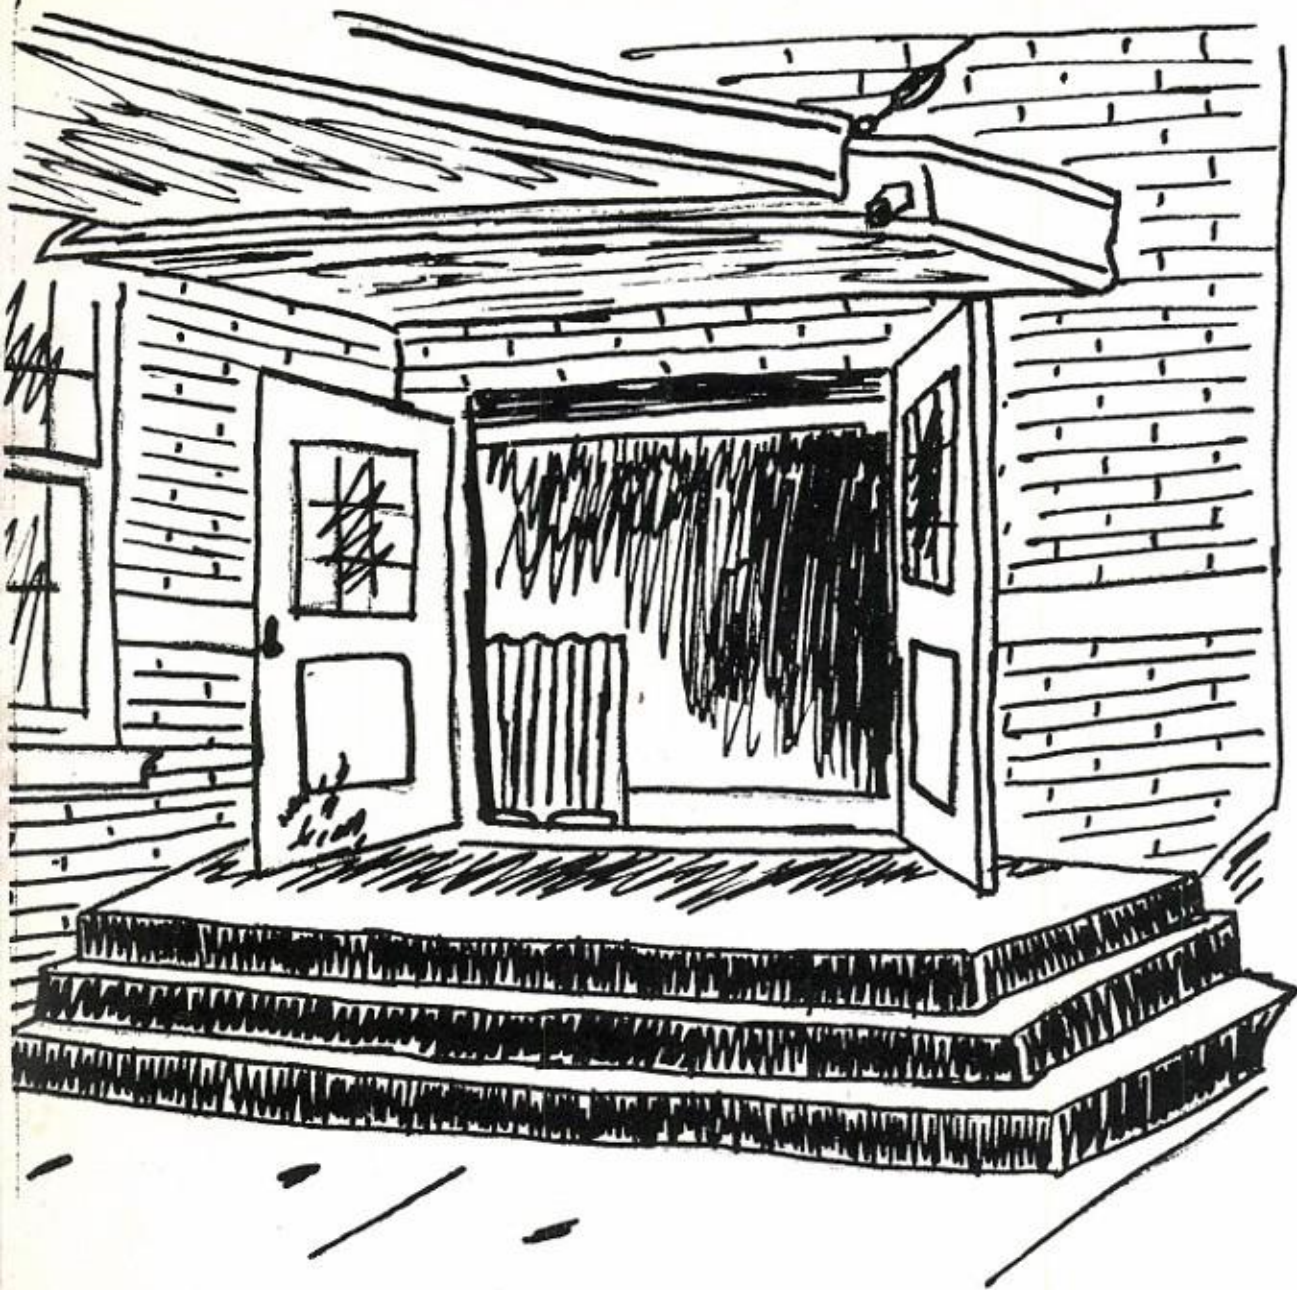

And last but certainly not least we wish to thank the generous merchants for their ads in the Indian. Without these people this 1958 edition of the Indian could not have been published.

He also lettered in basketball and was the pin-up boy for the Future Homemakers of America for the 1956-57 school year. Eddie was class favorite his Sophomore year and the girls' basketball sweetheart his Freshman year.

Mary Ann Teal was nominated by the Student Council and elected by popular vote of all the students as president of the student body of Jacksonville High School.

Mary Ann is a member of the Future Teachers Association, Future Homemakers of America, and the National Honor Society. Also, this year, she was a nominee for Miss J.H.S. In her Junior year, she was a delegate to Girls' State, was Christmas duchess from J.H.S., and a nominee for Most Beautiful. Mary Ann was vice president of her Sophomore class and secretary of her Freshman class.

Our Senior cheerleaders demonstrate their diversified talents.

Hoke Peacock and Bill Davenport were semi-finalists in the National Merit Contest (for scholarships) sponsored by the National Merit Corporation. They will take another test to determine whether or not they are finalists in the contest.

Bill qualified as a finalist in the 1958 National Honor Society scholarship contest. He was chosen as a finalist on the basis of his high score in the scholarship qualifying test given to high school seniors throughout the nation. Bill was among 1,401 members of the National Honor Society who qualified with a composite score of 150 points or higher, from the 54,865 members who took the test. He ranked with the 99th percentile on the test. Dr. Paul E. Elicker, director of the National Honor Society scholarship board, in his letter of notification commented: "You and the students are to be congratulated on having a student in your school who can rank so high in the scholarship qualifying test with the highest ranking students in secondary schools throughout the country."

The Student Council is one of the largest and most active organizations in high school. It is divided into various committees which are in charge of carrying out its responsibilities. This year the council has undertaken the project of running for a state office. It has been the most important one of the year. Different members of the council attend workshops yearly where they learn ways to make our council a better and more active one. The membership is made up of club presidents and a representative from each of the homerooms. Regular attendance is required and with three unexcused absences, a membership must be forfeited.

The Citizenship committee is responsible for selecting two citizens of the month each month. They are shown presenting two citizens their pins. The Publicity committee publicizes the activities of the Council. They make posters to put up in the halls and have numerous other activities. The State Office committee has been very active in preparing the council's campaign. This has proved to be one of the Council's largest projects and this committee has been a busy one. Another active committee is the Assembly, which schedules the assembly programs for the student body. They have quite a job arranging talent that will interest the students and faculty. Each Wednesday morning the Morning Watch committee presents a short devotional and non-denominational worship service.

The Latin Club is an active member of the Junior Classical League. This year they attended the Fall Festival of Latin Clubs in Henderson, Texas. During Latin Week the members strive to show us the importance of Latin through various posters in the halls and an assembly program. They attended the State Latin Convention last year where Priscilla Pearsall was elected State Treasurer. The club is sponsored by Mrs. Annie Yett who is also a State Sponsor. The Club is composed of twenty-seven regular members and eleven associate members. Their meetings are held once a month.

F.H.A.

The F.H.A. of our school strives to teach girls the art of building a home. Some of their projects during the year are making doll clothes for the needy children, gathering Christmas cards for the patients at Rusk State Hospital, taking baskets of fruit to the nursing homes of the city, and making ceramics. Their sponsors are Mrs. George Cravy and Mrs. Roland Adams. Their sweetheart is Jack Stanley. The officers are Margie Hassell, Patsy Landrum, Patsy West, Priscilla Pearsall, Lynn McCollum, Linda Smith, Jackie Stallings, Carolyn Chandler, Susan Wilson, Wanda Johnson, Patsy Nutt and Sarah Maurer.

The Jacksonville F.F.A. has a number of activities that are carried on from year to year, such as planting trees and caring for them; repairing fences, maintaining a registered herd of Angus cattle, a Ford tractor and equipment to rent to farmers, and numerous other community projects. Also shown here are several of the boys mixing cement for a repair job. The group selects an F.F.A. Sweetheart each year and enters her in the District Contest. The Chapter as a whole takes several educational trips during the year, such as the Houston Fat Stock Show, Dallas Fair and many others. The primary aim of the F.F.A. is the development of agricultural leadership, cooperation and citizenship.

Football Squad

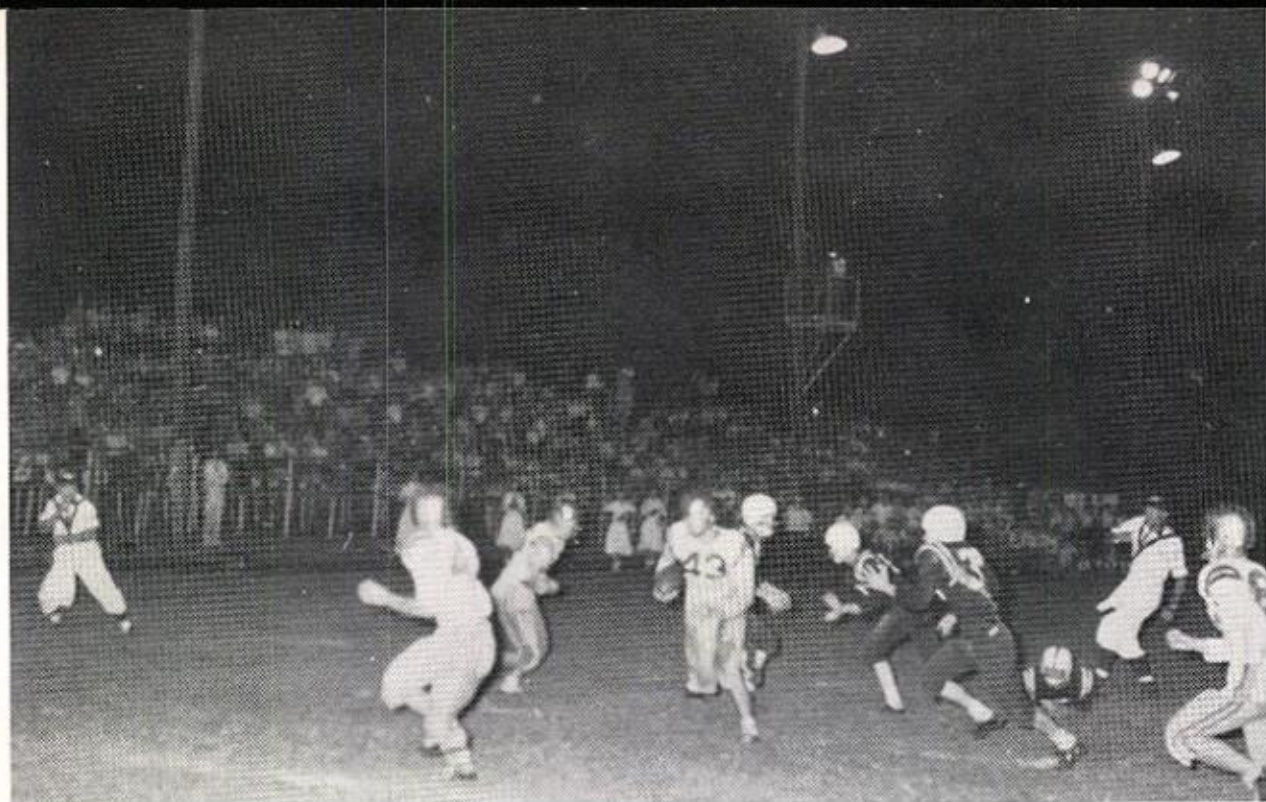

The business manager for the sports season of 1957-58 was Mr. Roy Hanna. During football season he was a familiar sight in front of our school. One of his duties, which was faithfully fulfilled, was selling student tickets to the games.

The football scout for the 1957-58 season was Mr. C. P. Mosley. Each week he went to the game of the team we were to play the following week and brought back detailed reports of their plays and players.

Co-Captains for the football season of 1957 are Bobby Joe Slawson and Eddie Ballard. They were chosen by the team to represent them for the year. They are shown here with Miss Lynette Moore, Football Sweetheart.

Lynette is a Senior and has been a cheerleader for two years. This year she was elected head cheerleader and a nominee for Miss J.H.S. During her Junior year she was F.F.A. sweetheart and a nominee for Most Beautiful. She was chosen as football sweetheart by the secret ballot of the football team.

The strange noises coming from the J.H.S. auditorium between 12:45 and 2:00 p.m. are made by none other than those energetic cheerleaders, six girls elected by the student body the previous spring, planning pep-rallies, making signs, planning bonfires or caravans, or playing Julie London while certain civics classes are trying desperately to show films. These girls have a terrific responsibility. They must be hostess to the visitors of opposing teams, keep halls decorated, keep school spirit high and pep rallies lively during each athletic season. These are not duties, but pleasures, because behind these six girls is a great student body and faculty which supports them in every way.

The "B" Team football squad for the 1957 season are as follows:

Top row: Neil Dark, Tim Murphy, Richard Slawson, David Murray, Billy Boswell.

Bottom row: James Pruett, Gaylon Orme, Richard Heidelberg, Hubert Parker and Aubrey Weesner.

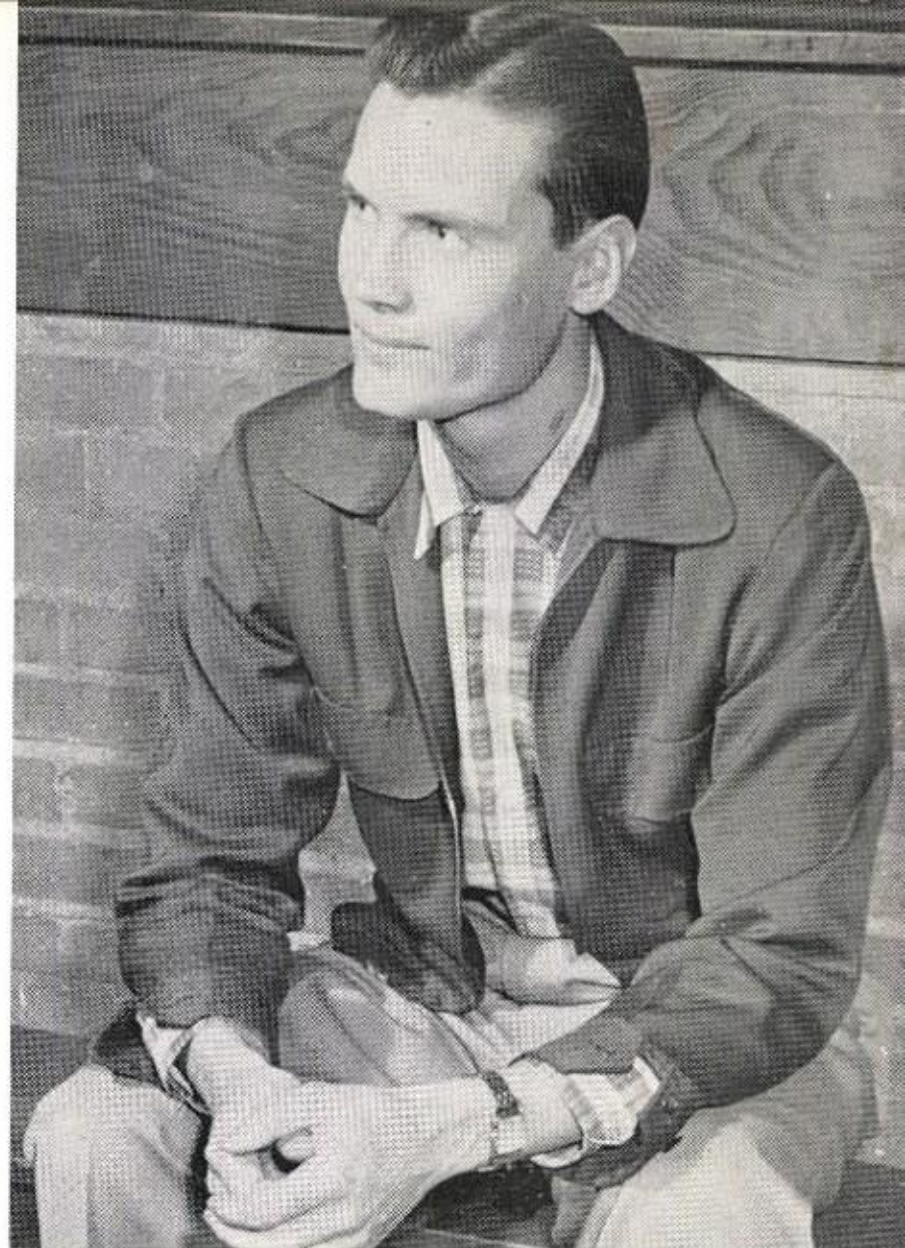

Top row: Mary Sibyl Brown, Carol Holman, Ann Champion.

Bottom row: Jackie Stallings, Glenda Dover.

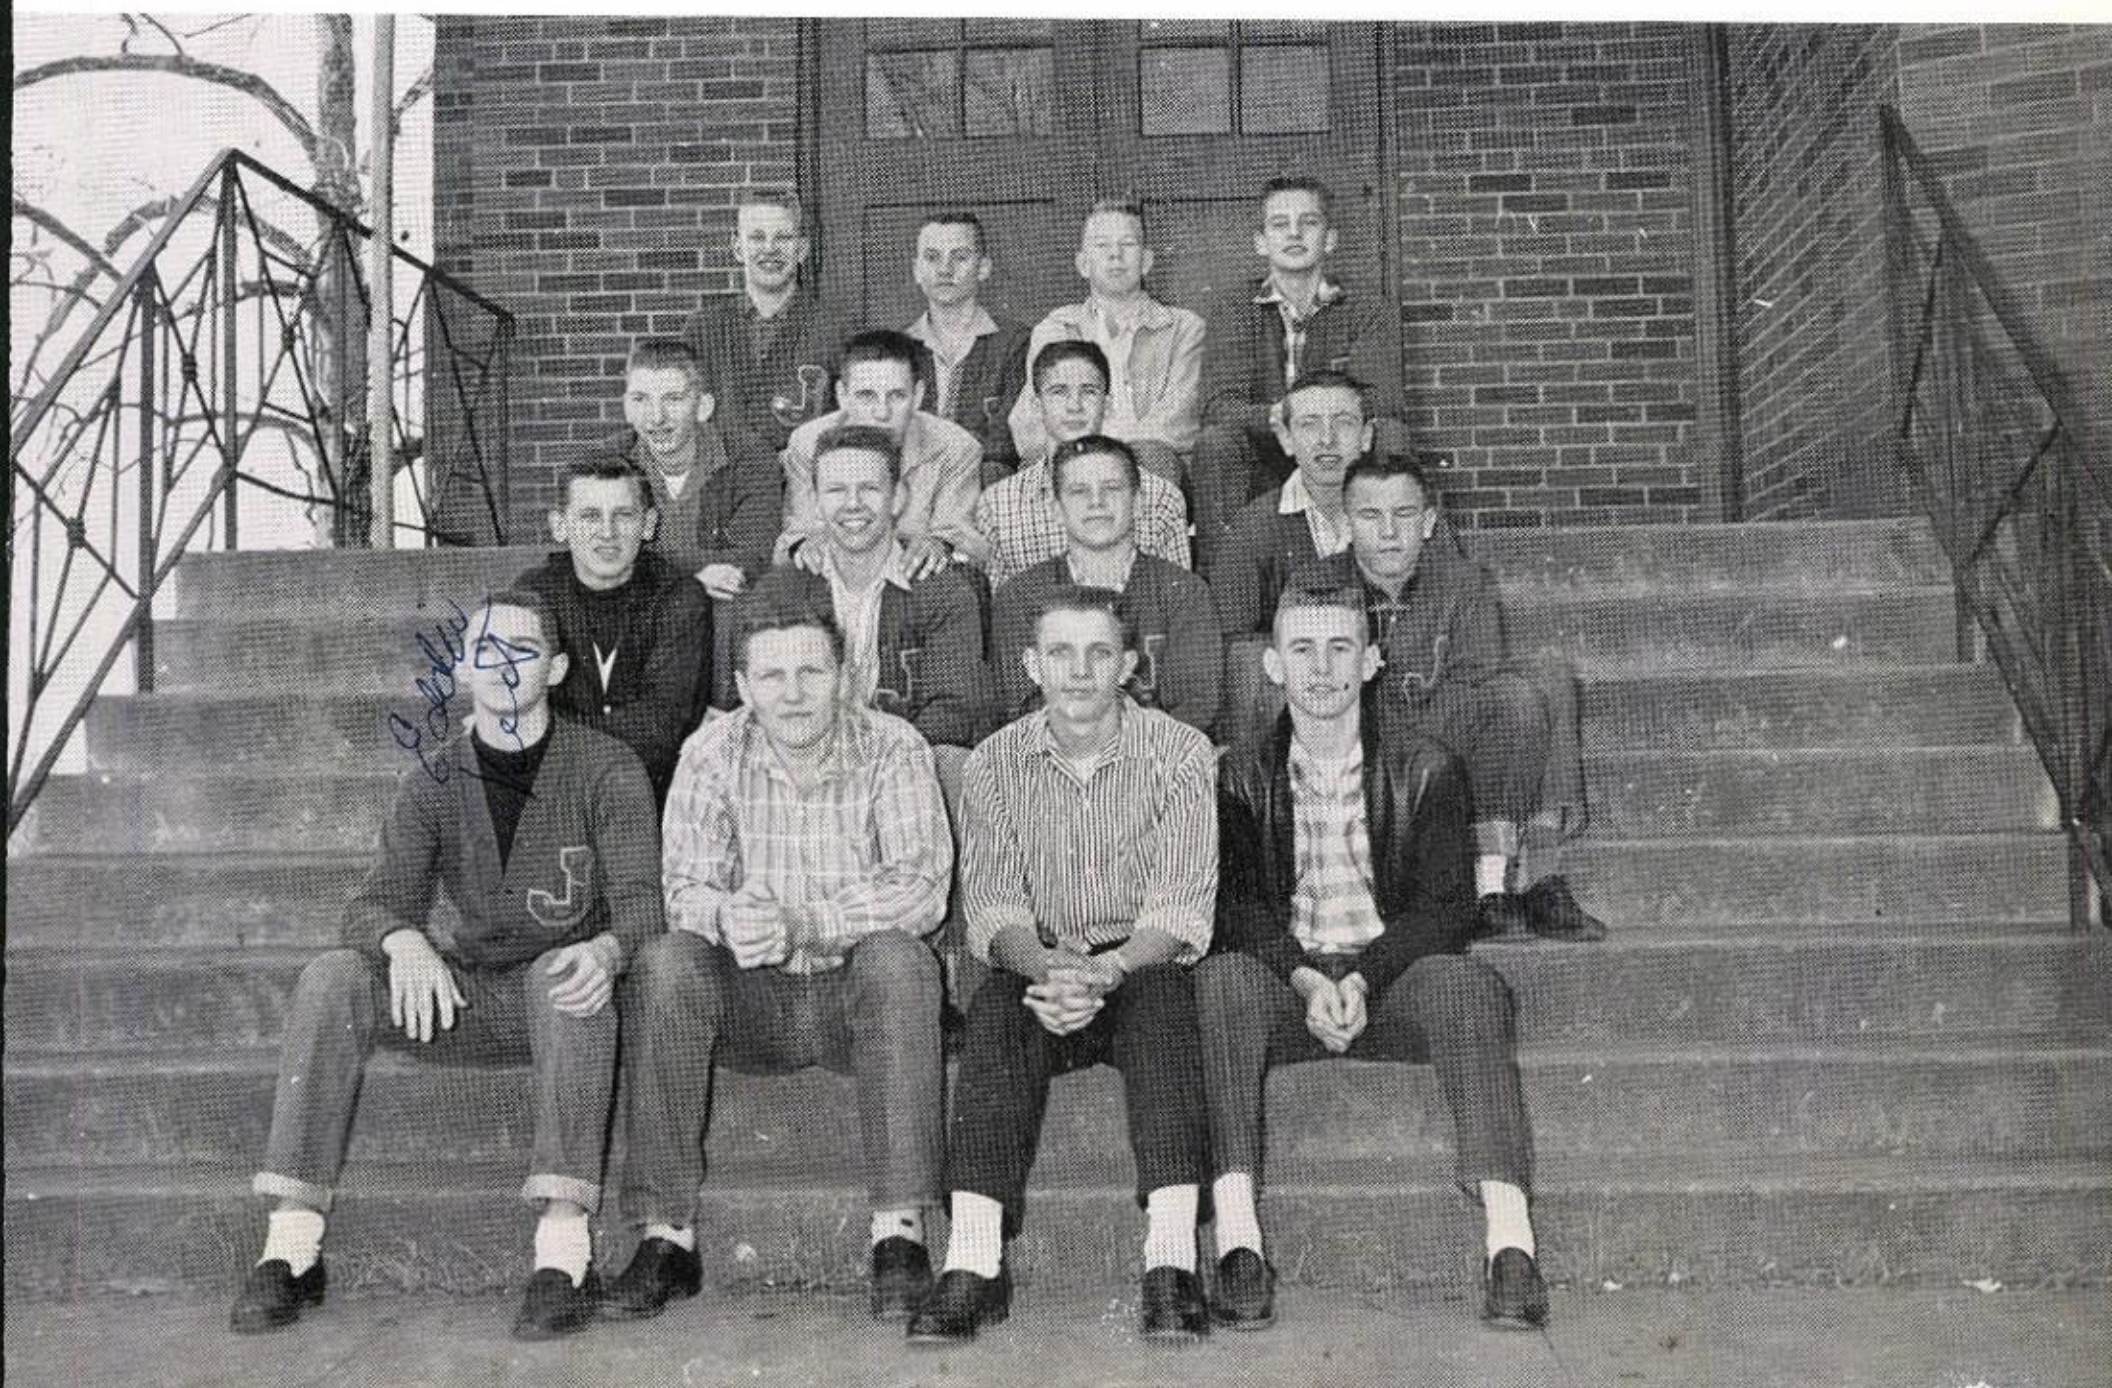

The "B" Team cheerleaders were elected by the popular vote of the Sophomore class of 1957-58. They led yells for all the "B" team games and their practice sessions were held after school in the afternoon. One of the many activities for the year was assisting in giving one of the football receptions. These girls are sponsored by Mrs. Fred Mullinix.

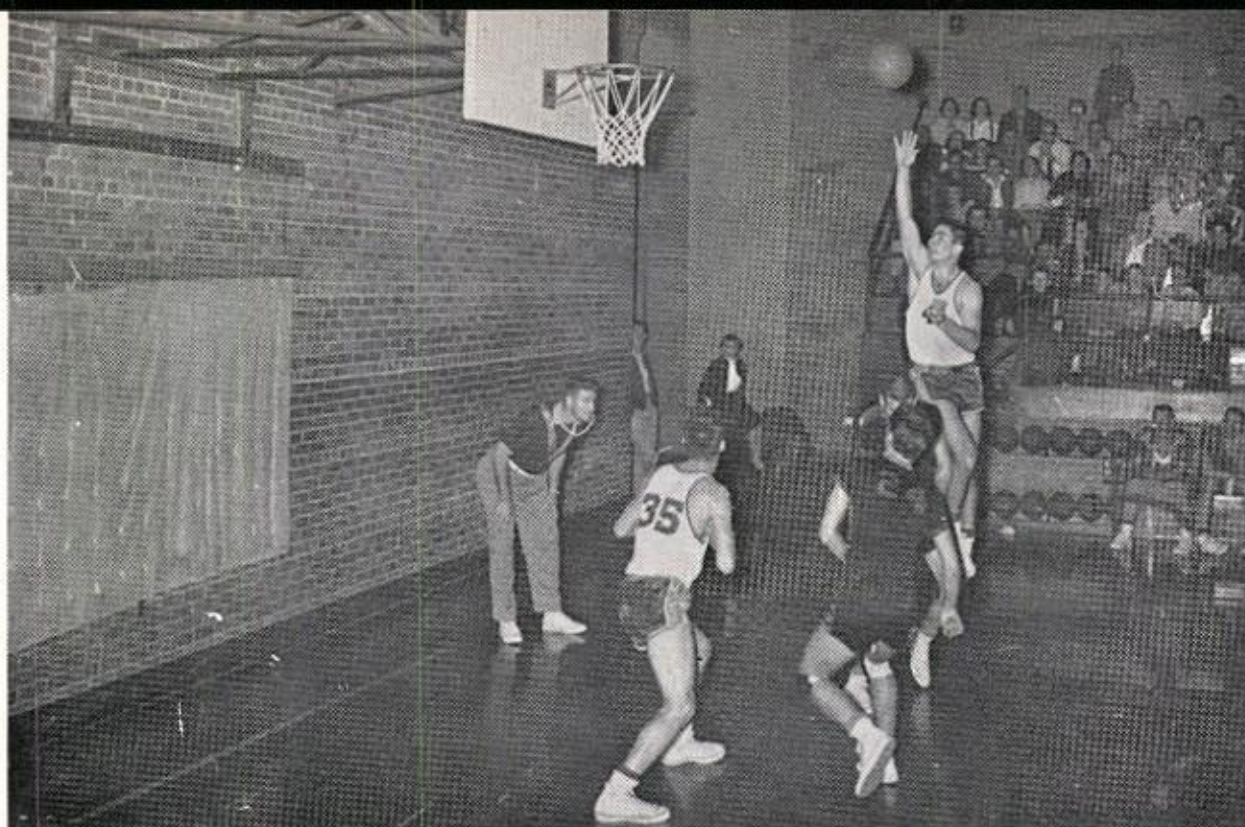

The Junior High cheerleaders this year are Bunny Ball, Lois Ann Roberson, Suzy Rucker and Judy Gibson. They have supported their football and basketball teams and have proved to be worthy of this honor.

Junior High Coach for 1958 is Bobby Beard. He has worked enthusiastically with the Junior High boys leading them on to more victories and greater success.

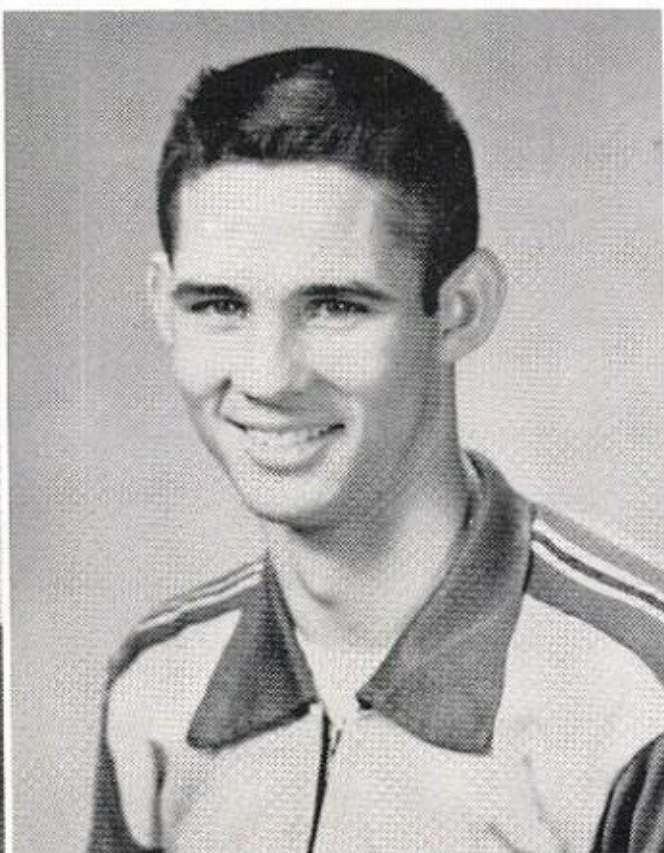

We think this picture should appear in our annual, for in this play one of our finest guards, Butch Shank, sustained a head injury which put him out for the season.

Around Our School

Around J.H.S. there are many varied activities. Several times during the year we are honored with the presence of visiting speakers and timely visits from Mr. Mark Foster, our photographer. During the fall, football fever hits and brings on a round of activities followed by basketball and more excitement. In December comes the Senior Cake Walk to raise money for the Senior Prom and Slave Day sponsored by the Student Council. All of this goes to make up a busy but happy life led by J.H.S. students.

J.H.S. Spirit . . .

J.H.S. is proud of its spirit. During the year we have had two color parades and a downtown pep rally for football and basketball. Highlighting color day is the announcement of Mr. and Miss Color, Mike Cravy and D'Ann Dublin. Another spirited activity is the bonfire during basketball season. The teams work very hard for their school and the students are loyal in supporting J.H.S. in every way.

Eddie and Arthur present Lynette as Football Sweetheart.

Assemblies . . .

Have you ever seen such a weird get-together of ghoulish folks? The Art Club presented this entertaining Halloween assembly. Mrs. Rothman gave the girls some tips on poise, figure control, and how to dress tastefully. We hadn't realized until the Talent Show that we had such celebrities in our midst. Later, the Key Club gave a take-off on one of their regular meetings.

The Future Teachers presented an old fashioned melodrammer with the typical cast including the villain, heroine, poor but honest hero and the narrator. The choir assembly featured the J.H.S. trio composed of Dee Jo Wright, Patsy Scott, and Joann Sheddan. Janet Ball presented our school with the U.S. flag as a token of remembrance for her father who was a World War II veteran. The Christmas assembly was the Christmas Story by the choir. In a later assembly Reverend Joe Copeland spoke to us on our endowments.

The F.T.A. presents a melodrama, starring Marilyn, Pat, Jo and Anna.

The refreshments and entertainment were enjoyed by all. Following the Christmas Party was the Kiddie Party sponsored by the F.H.A. and Finally Christmas

Christmas came at last bringing fun and enjoyment for everyone. Mr. Mosley seems to always enjoy the many Christmas cards he receives from his students. Linda Hudson was chosen by the Student Council to represent our school in the Christmas Parade. Both the Art Club and the Student Council entered floats in the parade. Instead of winter weather we experienced warm and sunny days this year, but that did not dampen the Christmas spirit. Christmas finally came bringing with it a well-earned vacation.

A project of the Student Council is a float in the parade.
